What students and parents are saying:

“...thank you for your wonderful classes. I took the SAT this past weekend and I ran across problems that I could have never solved without your assistance.”

-Nikki Mattar, Rocklin HS Class of 2013

“I just wanted to say thank you for the in-depth test prep course! Cole thought it was very helpful and beneficial in preparing him for the upcoming ACT/SAT tests.”

-Becky Cavarra, Whitney HS parent, class of 2018

“...I just wanted to thank you for an amazing class that improved my confidence and taught me the skills that I needed to do well on this test. You guys have created an informative and easy to learn curriculum that, coupled with your teaching, doesn't break anyone's bank but gets the job done!! I am very glad that Mrs. Cutts recommended you!

-Zach Vavra, Western Sierra Collegiate Academy Class of 2014

“Travis was really excited when he got home last night. He said he learned more in one class with you than all of last year! He is looking forward to next week.”
