Grades:

Quarter Grades are due in October. Just a reminder that all progress/quarter and semester grades are only posted online on the Aeries Parent Portal. Quarter grades are not posted on the transcript but are used for athletic eligibility.

parent.rocklinusd.org

Schoology:

Please continue to check Schoology regularly for grades. Any concerns about a specific subject, please email the teacher directly. Teacher emails are located on the school website:

PSAT

Sophomores will take the PSAT on October 10, and their results will be available in December. We will meet with students to review their scores and to help them log onto My College QuickStart, which is a great resource provided by the College Board.

We encourage students to take the PSAT again in October of their Junior year since it provides more practice and determines if they're eligible for the National Merit Scholarship
