Good morning Wildcats. This morning we start with an update about the Camp Fire.

Thanks Hannah. We also learned that the western placer waste management facility, behind Thunder Valley, is taking in cans and plastic bottles.

Also, we are going to wear Paradise High School colors, green and yellow, to school tomorrow.

We are asking that all of us unite as one, and support the Butte County community. On Friday, post your pictures on social media with the Hashtag - wearewithParadise.
