[A10 - NEWS_FEATURE PACKAGE]

This week, on social media, we asked you to share your favorite moments from Quarry Bowl football games. We have highlighted the traditions that come with the rivalry game. Now, new Head Coach Zachary McNally knows a thing or two about big moments and rivalry games. He played high school football at De La Salle, one of the most well-known programs in the nation. Reporter Madelyn Loureiro and Photographer Amanda Goetz went to see how he's bringing what he learned from his years at De La Salle to right here ... at Whitney High School.

[A11 - NEWS_FEATURE PACKAGE_OUT]

McNally and Lopina brought several other traditions with them.

That's right Emma. They told us that this year, players have to wear white crew socks, with tan khakis, and white shirts under their jerseys on Fridays.

And I was also told that they have a no cursing policy. If a player or coach uses profanity, they have to 50 pushups. But, Maddie, my biggest problem is that I am a snake and I don't know where to sit for the game. Where should I go and what colors should I wear tonight?

Comment about the TOPIC from package...

[A12 - INTRO TO THE WORD]

Well ... you've heard from McNally about some of his traditions ... and now it is time to see some more of your favorite moments from football games.

Here's SARAH NEVINS with more in your ... "Word around Campus."

[A13 - THE WORD]

UP FIRST, Sophomore, Gabrielle Mehren SHARED THIS ON ... Instagram WITH THE HASHTAG WHSUNLEASHED.

In this photo, Gabrielle is with her older sister, Senior Maddy Mehren. In this picture Gabrielle and Maddie are standing on Lincoln's field after the whiteout game last Friday. She said Friday night lights will always be her favorite season of the year.

AND THIS WEEK WE ASKED YOU to tell us your favorite memory from the Quarry Bowl USING THE HASHTAG WHSUNLEASHED.

Junior, Jack Silva said his favorite moment was making "We Aren't Rocklin" shirts with his friends. In this picture, Jack is with Juniors, Brandon Valdez, Ethan Dodge, Jack Grove, and Jacob Harbert. They are wearing maroon tie dyed Rocklin shirts and they added red tape to cross out the words " We Are Rocklin."

NOW, we went on twitter to find out WHAT'S TRENDING... and if you were to surf this wave you could be surfing for hours.

This new artificial wave pool has people wondering how they can ride the longest open barrel wave. This continuous wave is located in a pool 100 miles away from the Pacific Coast bringing the beach much closer to you. Kelly Slater's surf Ranch, in Lemoore, California, uses a vehicle to create waves on demand.

[A14 - OUT WORD_BE RIGHT BACK]

This surf Ranch is only 3 and a half hours away from Rocklin, and I'm willing to take the road trip to catch a wave.
