UP FIRST, Junior Emma Frank SHARED THIS ON ... Instagram WITH THE HASHTAG WHSUNLEASHED.

In this photo, Emma is with the Varsity Golf Team at Diamond Oaks Golf course. In this picture Emma is standing with her team and coach Laura Faber after they played in the Helen Lengfeld Tournament. Emma said she is ready to take on league season with her teammates.

AND THIS WEEK WE ASKED YOU to tell us about your favorite pet USING THE HASHTAG WHSUNLEASHED.

Senior Uriah Villa said her favorite pet is her dog, Jasmine. Uriah adopted her 2 years ago as a puppy and nicknamed her Jazzy. In this picture, Jasmine is looking at Uriah who is taking the photo. Uriah said Jazzy is always energetic and happy to be by her side.

NOW, we went on twitter to find out WHAT'S TRENDING... and if you're feeling annoyed by your siblings...here's a way to get payback.

This new trick has people pranking their siblings into believing they are invisible. To start the trick,

the person places a blanket over an empty chair to show the person being tricked, how it works. After the chair is covered by a blanket, and the blanket is lifted, the audience reacts as if he or she is invisible. This magician further leads on the person being tricked, by taking a staged photo of the chair before the trick to show the person in the chair that nothing is there.

[A14 - OUT WORD_BE RIGHT BACK]

If my family were to convince me I was invisible, I know I would be freaked out.
