

I wanted to provide a step-by-step email with instructions and clarifications regarding your senior portrait appointment at Prestige Portraits. Prestige is the official school photographer for your senior picture and will do your WHS yearbook photo this summer. Please don't wait until the last minute -- we wouldn't want you to miss out on being pictured with your classmates for the Class of 2023.

Their appointment season begins July 7, 2022, and you should get into the studio in July or August to have your senior portrait taken. By the beginning of September it is almost impossible to get in. **THE DEADLINE TO BE PHOTOGRAPHED IS SEPT. 9, 2022.** Don't wait!

FINALIZE APPOINTMENT

You may wear your own personal outfit of your choosing to be considered "dressed up" for this important portrait based on your style and cultural significance or how you feel most comfortable as long as you are within WHS dress code and dressed up. Your top/shirt must be free of text (no writing or printing) and no sunglasses or hats are permitted. If you prefer a traditional drape or tuxedo, the studio will have those available to borrow during your portrait sitting.

This photo will go in the 2023 WHS yearbook as long as you are photographed on time (by Sept. 9, 2022) at the correct studio. The studio sends us all photos in one batch once the deadline has passed, and we will post a list of all photos received so that you can check your name on the list.

Thanks for making your appointment right away by following the steps above, and thanks for getting photographed this summer. Best wishes for your upcoming senior year experience!
