

# Weekly Wildcat

**PAWS Time:** PAWS time for students is to receive additional instruction, make up quizzes/tests/"the mile", etc. Students not passing a class are required to attend PAWS time with teacher(s). Class cuts are issued for students assigned PAWS and do not attend. THE LAST DAY OF THE QUARTER is 10/8, make PAWS time count!

**College and Career Center.** The College and Career Center is located in the library. Stop by and check it out! For information and upcoming events in the College and Career Center Join the CCC REMIND: text "@whitneyccc" to 81010

**Checking out of school for an appointment?** Parents/Guardians, student/s leaving school early: must be checked out through the attendance office. Advance notice is required. Students not feeling well and are getting picked up, they must check out with the Health Office. If your student leaves campus without checking out, it will be marked as a "Cut".

**Character Strong Lesson** on Tuesday 10/5. Modified bell schedule can be found on our website or app.

**Changing Schools?** We prefer to have as much notice as possible, minimum 2-day notification. It is the responsibility of the Parent(s)/Guardian to inform the Registrar Jennifer Baker at [jbaker@rocklinusd.org](mailto:jbaker@rocklinusd.org)

**Fall Blood Drive:** Service Leadership is hosting a community blood drive on Friday. Blood in our community is desperately needed throughout the year. Blood lasts less than 42 days on the shelves and one pint of blood will save 3 lives. Please sign up through the virtual eflyer attached to this email. 16 year olds need a parent consent form.
