## Info Items:

- **Attendance**, please use this [google form](#) to report absences and check out students.
  - **Students can pick up their yellow pass** before school, during passing, or during lunch, so when it's time to leave they can show their teacher the yellow pass and be excused to leave class.
  - **If you elect to call rather than use the google form**, you will likely get voicemail. Please speak clearly and leave the student's name, the time they will be leaving and the reason they will be leaving. The volume of calls and multiple voicemails for the same absence is really slowing us down. We prefer the Google Form. **For early dismissal requests, you will not receive a confirmation call back.**
- **AP Exam study tool** - [High 5 Wizard](#) is a free smartphone app with quizzes, games, and a menu of tools for most AP exams.
- Don't forget! Bring your **Chromebook fully charged** everyday!
- How to **enter Service Learning** in Aeries Portal. [Click here](#).
- **Community Service Opportunity:**
  - Where: Placer County Health & Human Services
  - What: Volunteer Income Tax Assistance (VITA) program: Student volunteers can help us with this in a variety of ways, including becoming a certified volunteer tax preparer. Volunteers receive free virtual IRS training and can help prepare taxes virtually from their own computer. We're completely flexible with our volunteer scheduling, so there's no need for students to commit to any particular number of hours or time slots.
